## Statement of Nature, Reasons and Basis for Filing

Section 154.106 of the Commission's regulations requires that pipeline tariffs include a map showing the general geographic location of principal pipeline facilities and points where service is rendered. Furthermore, the regulations require that pipelines revise existing maps to reflect major system changes. Accordingly, ANR is submitting the instant filing to update its system maps to reflect such changes for the calendar year ending December 2013.

#### **Effective Date**

ANR requests that the Commission accept the revised tariff sections filed herein and included as Appendix A, to become effective June 1, 2014.

### Other Filings Which May Affect This Proceeding

There are no other filings before the Commission that may significantly affect the changes proposed herein.

### **Material Enclosed**

In accordance with Section 154.7(a)(1) of the Commission's regulations, ANR is submitting an eTariff XML filing package, which includes:

- 1. This transmittal letter:
- 2. The clean tariff sections (Appendix A); and
- 3. A marked version of the tariff sections (Appendix B).

**Certificate of Service** 

As required by Section 154.7(b) and 154.208 of the Commission's regulations, copies of the filing

are being served on all of ANR's existing customers and upon any interested state regulatory

agencies. A copy of this letter, together with other attachments, is available during regular

business hours for public inspection at ANR's principal place of business.

Pursuant to Section 385.2005 and Section 2011(c)(5), the undersigned has read this filing and

knows its contents, and the contents are true as stated, to the best of his knowledge and belief.

The undersigned possesses full power and authority to sign such filing.

Any questions regarding this filing may be directed to Joan Collins at (832) 320-5651.

Respectfully submitted,
