Statement of Nature, Reasons and Basis for Proposed Changes

On January 29, 2016, in Docket No. RP16-440-000, ANR filed revised tariff sections pursuant to Section 4 of the NGA to implement a general rate case and propose certain changes to the General Terms and Conditions of the Tariff (“Rate Case Filing”). By its Suspension Order, the Commission accepted and suspended ANR’s tariff sections to become effective, upon motion, August 1, 2016, subject to refund and conditions and the outcome of an evidentiary hearing.⁵

ANR is submitting the instant filing to move the suspended tariff sections listed in Appendix A into effect August 1, 2016,⁶ consistent with ANR’s rights pursuant to Section 154.206 and the Suspension Order.⁷

Motion to Place Tariff into Effect

Pursuant to Section 154.206 of the Commission’s Regulations and Rule 212 of the Commission’s Rules of Practice and Procedure, ANR hereby moves to place the suspended tariff

⁵ Suspension Order, Ordering Paragraph A.

⁶ Subsequent to the Rate Case Filing, several tariff sections have been further modified and accepted by the Commission in other regulatory proceedings. Contemporaneous with the instant filing, ANR is additionally filing a separate Type 580 motion to move into effect the tariff sections that have been subsequently modified. As further explained within this Type 580 motion, ANR is additionally placing interim management-adjusted rates into effect.

⁷ The Rate Case Filing eliminated Section 4.17.2 and marked it as “Reserved for Future Use.” Subsequently, in Docket No. RP16-763-000, Section 4.17.2 was eliminated and marked as “Reserved for Future Use” (“DTCA Filing”). ANR requests the Commission reject Section 4.17.2 included in the Rate Case Filing as moot, as the revision proposed therein was subsequently accepted as part of the DTCA Filing. See *ANR Pipeline Company*, Docket No. RP16-763-000 (2016) (Director’s Letter Order).

sections, as listed in Appendix A, into effect August 1, 2016. ANR requests that the Commission grant any waivers necessary for the proposed tariff sections to become effective.
