### **Statement of Nature, Reasons and Basis for Proposed Changes**

Section 38.3 of the GT&C of ANR's Tariff provides that it will file an annual report on or before May 1 of each year reflecting the operational purchases and sales of gas for the 12-month period ending the preceding December 31. The report shall state the source, date, volumes, price, and associated costs and revenues, including their disposition, for all operational purchases and sales. This report excludes Cashout purchases and sales which are separately reported.

To comply with this filing requirement, ANR is submitting its report, included in Appendix A, for the 12-month period ending December 31, 2009. The report reflects that during the reporting period, ANR made purchases to replenish line pack and to replace gas lost due to Hurricane Ike. ANR made no operational sales during this period.

### **Material Enclosed**

In accordance with Section 157.502 of the Commission's Regulations, ANR is submitting the following:

- 1) This transmittal letter; and
- 2) The Operational Purchases and Sales Report (Appendix A).

### **Certificate of Service**

As required by Sections 154.7(b) and 154.208 of the Commission's regulations, copies of this filing are being served on all of ANR's existing customers and upon interested state regulatory agencies.
